

IMTS2026

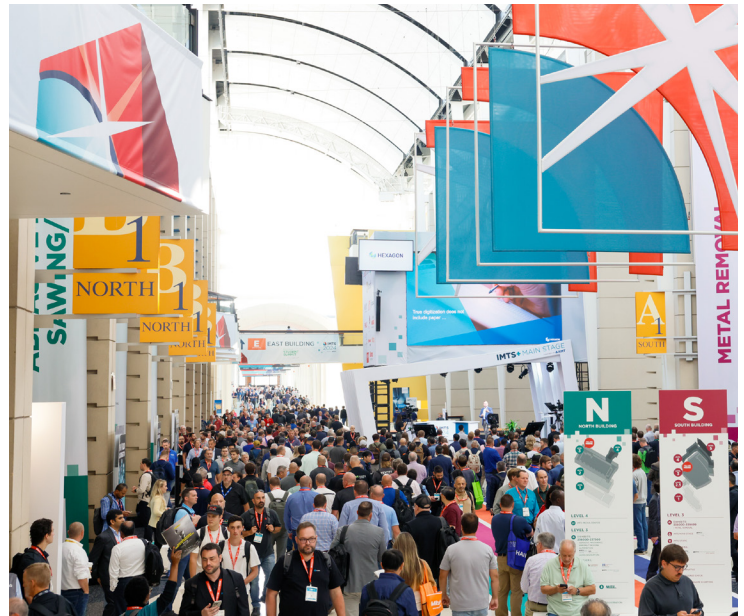

INDUSTRIAL AI ARENA

WHO SHOULD EXHIBIT?

The IMTS Industrial AI Arena is intended for **exhibitors whose products or services apply artificial intelligence** to solve real-world manufacturing challenges in:

- Quality and Inspection
- Process Optimization
- Downtime Reduction
- Cybersecurity
- Ergonomics
- Safety
- Demand Forecasting

Qualifying exhibitors should demonstrate practical, production-relevant applications of AI with clear relevance to the manufacturing environment.

ACT NOW

Only 24 spaces are available.

The Industrial AI Arena is located at the front of the North Building.

\$6,000

No Extra Charges

Turnkey packages include tables, chairs, carpeting, cleaning, counters, lead retrieval, and electric access.

INTERESTED IN EXHIBITING?

IMTS2026

INDUSTRIAL AI ARENA

Introducing the IMTS Industrial AI Arena, located at the epicenter of applied innovation at America's premier manufacturing technology event.

Armed with the power of artificial intelligence, bold, new players and veteran companies alike step into this proving ground to showcase how their products and services can solve manufacturing's toughest challenges.

From quality and inspection to process optimization, downtime reduction, cybersecurity, ergonomics, safety, and demand forecasting, **the Industrial AI Arena showcases prototypes, platforms, and breakthrough tools** – real solutions that redefine what's possible on the shop floor.

Witness how AI transforms the production environment in ways that drive measurable performance, resilience, and growth. **The Industrial AI Arena is where the future takes the stage.**
